

† Altar Guild

We are truly blessed that we are able to receive Holy Communion at all our weekend worship services.

Volunteer teams of two or three are scheduled to set up the Communion elements for our worship services. Teams select the month or two when they will be responsible for setting up the elements for Holy Communion.

On the first Sunday of the month, Holy Communion is distributed around the rail; the Altar Guild fills individual cups for this service. For all other Communion services, Holy Communion is distributed by intinction.

In addition, some Sundays, the paraments are changed to correspond to the liturgical season.

Volunteers are also needed to clean-up the communion ware after the 10 o'clock service and volunteers for this are assigned in teams of two. In addition, one volunteer per month is needed to set up the grape juice and goldfish before the 8 am service.

This is an important ministry of the church; please let the church office know if you are willing to serve the church in this way.
